In Touch With You

The following questions are suggested to help the facilitator with the two minute check in period.

What are you feeling?

What have you learned about yourself in the past week?

What have you learned about yourself and how do you feel about what you learned?

What are you doing differently and how does that feel?

What has happened which has made it possible for you to do what you are doing differently, and how does that feel?

What new attitudes and beliefs are you adopting or do you want to adopt?
